

RAPIDSURGE™ SYSTEMS

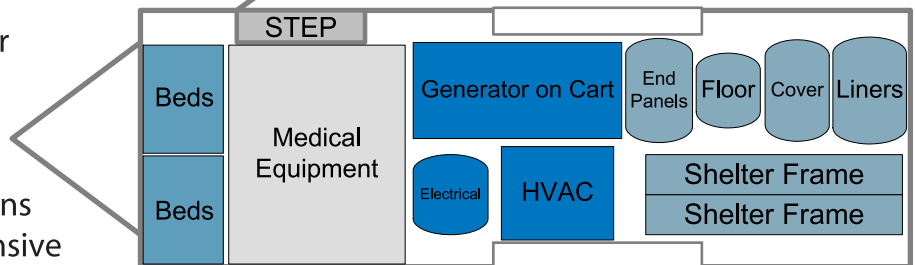

Tailored to your specifications, our **RapidSurge™** series provides instant ward space in portable shelters, packaged into ready-to-haul cargo trailers.

SURGE SOLUTION FEATURES:

- Up to 1,700 sq. ft. of surge capacity per trailer unit
- Quick and easy setup on any level surface: pavement, grass or sand
- Multiple heavy duty patient bed options for nursing care, special needs or intensive care; beds include mattress, IV pole, and linens
- HVAC, electrical and lighting systems included; portable generators available in several sizes
- Stow and tow - always ready to deploy, use trailer on-site as secure storage, work space or sleeping quarters

Trailer Layout

PORTABILITY FEATURES:

- Ready-to-haul - tow behind a pickup
- Side access door and drop-down rear door for easy loading and unloading
- Equipment sets are pre-packed for hand carry. No forklift required!
- Weather-tight with locking doors; eliminates need for warehouse space
- Beds stored in carts for ease and speed of setup
